

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 5, 1996

SUBJECT: **SB 2905 - HB 2558**

This bill, if enacted, will require municipalities to establish minimum standards of safe housing. Current law provides municipalities the authority to close or demolish structures it deems *unfit for human occupation* and sets out reasons a municipality may deem a structure unfit.

The fiscal impact from enactment of this bill is estimated to be minimal since the effect of the bill is to formally adopt standards it currently uses in determining whether a structure should be closed or demolished.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
